

## CASA OF MONTEREY COUNTY

### *Court Appointed Special Advocates for Children*

Our mission is to ensure that abused and neglected children are provided with every available opportunity to begin a journey into healthy, productive lives. By introducing caring, responsible adults, trained as advocates, into their lives, we help break the cycle of abuse and neglect. By engaging community volunteers, we empower people in our community to place children's needs and well-being as a priority.

### **CASA empowers people to do something fundamental for abused children:**

*to offer children consistency and a connection to a responsible adult. Through steadfast support and direct communication back to the Judge, the CASA volunteer can instill in children the power to believe in themselves and the power to trust in others.*

***Your involvement can impact a child's life forever.***
